**DK Productions presents:
"We Are With the Band"**

HOLLYWOOD, CA April 12, 2010—"We Are With the Band", an original comedy web series about hipsters, has signed an online distribution agreement with **Koldcast.tv** (www.koldcast.tv) the premiere WebTV network, to become an Embedded Partner. The series premiere of "We Are With the Band" will launch on Friday, April 16th, 2010 with Episodes 1 and 2 airing on the official show website www.wearewiththebandshow.com and on Koldcast.tv.

The first season consists of eight episodes total, which will air every Friday from April 16th until May 21st, 2010.

"We Are With the Band" follows the adventures of Elle and Marci, two codependent Los Angeles hipsters, as they navigate the highs and lows of the Silverlake Scene. Up on every new band, down with every cool trend, Elle and Marci live their lives like one big American Apparel ad. But is there more to life than getting an invite to the afterparty?

"We Are With the Band" was written by **Vivian Kerr**, created by and stars **Heleya de Barros** and **Vivian Kerr** and features original songs by hot LA indie band **Open Buffet**.
