**DK Productions presents:  
"We Are With the Band"**

HOLLYWOOD, CA May 17, 2010—"We Are With the Band" an original comedy web series about hipsters has signed an online distribution agreement with Strike.tv. Episode 1 will premiere on [Strike.tv](http://Strike.tv) Monday May 17<sup>th</sup>, 2010 with the subsequent seven episodes released every Monday thereafter.

"We Are With the Band" follows the adventures of Elle and Marci, two codependent Los Angeles hipsters, as they navigate the highs and lows of the Silverlake Scene. Up on every new band, down with every cool trend, Elle and Marci's lives revolve around all that is hip and happening. But is there more to life than getting an invite to the afterparty? How do you balance "the scene" with being an adult?

"We Are With the Band" was written by **Vivian Kerr**, created by and stars **Heleya de Barros** and **Vivian Kerr** and features original songs by hot LA indie band **Open Buffet**.
